

Showerproof Natural Shapes Poster

SKU: 27368

£18.71 inc vat - £15.59 ex vat

About this Product

Ready to turn your outdoor space into a shape-hunting paradise? Our Showerproof Natural Shapes Poster is here to inspire a whole new world of mathematical concepts through the power of nature. This poster is a fantastic resource for building numeracy skills by getting children to create shapes from found natural materials such as leaves, sticks or stones. It's like a maths scavenger hunt, but better—because they're learning while they play!
