

Outdoor Water Wall

SKU: W00531

£671.99 inc vat - £559.99 ex vat

About this Product

A wonderful outdoor learning resource which encourages children to experiment with water. The freestanding, sturdy design features a water pump, trough and 6 x wooden water chutes. The pump transports the water to the top chute and from there it flows down the wall and collects in the trough below - ready for the cycle to begin again.
