

Translucent Geometric Shapes (408Pk)

SKU: 54222

£35.99 inc vat - £29.99 ex vat

About this Product

This massive set of 408 translucent geometric shapes is an essential resource for exploring math and light. Featuring 14 different shapes in 7 colours, these pieces are perfect for use on light panels to teach 2D composition, symmetry, and pattern-making. Their transparency allows children to see how shapes combine to form new ones, making abstract geometry tangible.
