

Wooden Lifecycle Tiles

SKU: 54925

£24.95 inc vat - £20.79 ex vat

About this Product

A set of 24 smooth birch plywood tiles featuring real photographic images of six different lifecycles. These self-correcting tiles illustrate four development stages for humans, bees, frogs, apples, butterflies, and chickens. This resource is perfect for teaching biological growth, sequencing, and the natural world in an engaging, tactile way.
