

Eurobeam Adjustable Beam

SKU: W04465

£435.31 inc vat - £362.76 ex vat

About this Product

This versatile floor beam offers three configurations in one. Thanks to its unique jointing system, it quickly transforms from a 150mm high floor beam into either a 340mm high training beam or an inclined beam—without the need for screws, pins, or fixings. Designed especially for young users, it's easy to assemble, use, move, and store, making it perfect for dynamic training environments.
