About this Product

Children love to challenge themselves with a good obstacle course, especially one they have made themselves! Get ready for the best outdoor experience! This starting set includes everything you need to spice up your outdoor provision. Ladders, up-and-down pathways, broader decking, single decking, H crates, and hollow blocks are just a few of its many interesting features, which provide countless opportunities for both physical development and critical thought. This pack was created especially for tiny spaces where there may not be as much room but there is still plenty of fun!
