About this Product

Learning Resources® Cooper™ the STEM Robot Classroom Set Bring collaboration to your class! Take on screen-free coding and STEM challenges solo or get two or more Coopers together for collaborative play. Coopers read and read to their environment, talk, sing and dance together, sense light and objects, and more! Best of all, Cooper is rechargeable, no batteries needed! The classroom set includes 4 rechargeable Cooper the STEM Robots with storage case, 20 easy-to-follow lesson plans, and USB charging cable.
